We will be holding a benefit ride to raise money for Hemophilia of North Carolina in the name of Kasey E. Frye. Kasey was killed in a motorcycle accident on February 3, 2008 and suffered from this disorder. A speaker from the foundation will be present to raise awareness about the disorder, the American Red Cross will be on site with a mobile blood drive, lunch will be provided that day, raffle tickets will be on sale, and door prizes will be available for those who participate. Entry will be \$10 per bike and all proceeds will go to Hemophilia of North Carolina. Anyone one who enjoys riding is accepted and all bikes are welcome. Come support our cause and help to raise money and awareness for this disorder.
