

HNC *On the Go* Series Presentation

11:00am to 2:00pm**

**North Carolina Zoo
Lakeside Picnic Area
4401 Zoo Parkway

Hemophilia of North Carolina would like to invite our members and families who are affected by a bleeding disorder and friends in the medical community to attend our next program in the **HNC *On the Go*** series. Come celebrate **Cinco de Mayo** with the HNC Latin Union Group and enjoy a presentation on the world of hemophilia.

This is a wonderful opportunity to learn more about the global caring community and celebrate a belated World Hemophilia Day (April 17, 2009) together. Enjoy a very **special presentation** by **Guillermo Sanchez**, HNC's Hispanic Liaison, who will share his insight and story about growing up with hemophilia in Mexico.

A special themed lunch will be provided to celebrate our Cinco de Mayo theme along with games and activities for the children. At the conclusion of the meeting, members will **receive tickets to tour the NC Zoo** and enjoy all the exhibits where you can discover more than 1,100 animals and connect with wildlife from two different continents as you explore 500 acres of exhibits carefully constructed to resemble natural habitats. Walk from Africa's grasslands to North America's Arctic coast!

There is no fee to attend the event and lunch will be provided. Please **register by April 26, 2009** to hold your reservation.

Our thanks to Baxter for their generous grant which made it possible to host this event at no cost to HNC member families.

If you have reserved a space, but later learn that you will be unable to attend, please let us know. It's important that we provide an accurate advance count to our food vendors, who must charge us on a per-person basis. It will also help us better accommodate last-minute registrants for whom we might otherwise not have enough space reserved.

Thank You!
